

Education can unlock big change

- Lesson Slideshow for Educators

Activity – Imagining the future

**Imagine you could travel forwards in
time to 2030.**

**What would you
like the world to
be like?**

**What changes
would you like to
see happen?**

**How would you
be feeling in this ideal
world of the future?**

Issue

Issue

**Your
ideal
future**

Issue

Issue

**Do you think others
share your hopes
for the future?**

**Which of these
changes do you
think is most likely
to happen?**

**Which of these
changes do you
think are least
likely to happen?**

**What action is needed to
create this ideal future?
Who needs to be
involved in taking
action?**

Activity – Education can unlock big change

SUSTAINABLE DEVELOPMENT GOALS

1 NO POVERTY

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

17 PARTNERSHIPS FOR THE GOALS

Each goal needs all of the other goals to make it happen!

What does education mean?

- **How do you learn?**
- **Where do you learn?**
- **When do you learn?**
- **Who helps you to learn?**

We all learn in lots of different ways throughout our lives.

How can education help to achieve the Global Goals?

distribute food - many children in the UK and around the world have their main meal at school

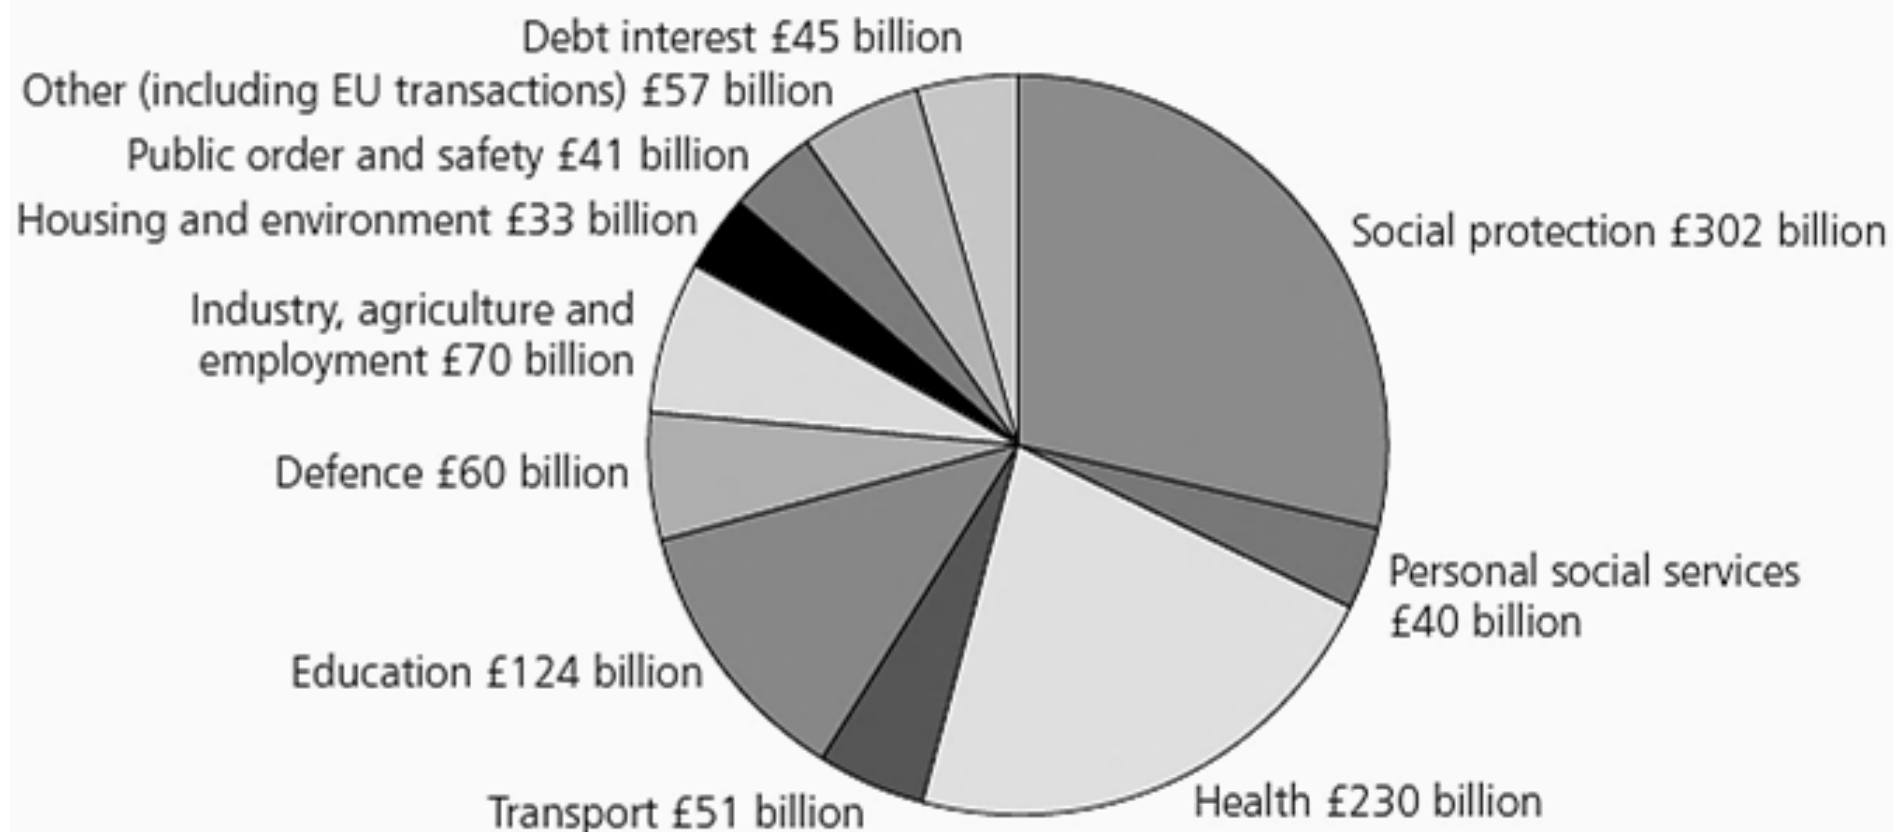

Activity – Making the case for education (11-16)

**Where does the money for
education and schools
come from?**

Chart 1: Public sector spending 2021-22

Figures may not sum due to rounding.

Illustrative allocations to functions are based on HMT analysis including capital consumption figures from the Office for National Statistics.

Source: Office for Budget Responsibility and HM Treasury calculations.

Making the case for education

- **How would you persuade a government to spend more money on helping children and young people to learn?**
- **What reasons will you give to support your case?**
- **How will you present your ideas?**

Slide for ages 11-16
