

# Education unlocks skills and employment

- Lesson Slideshow for Educators
- For ages 7-11

# **Activity – Thinking about my skills**

**What is a skill?**

**What skills have  
you learned  
during your life?**

**Decorate your  
hand to show all  
the amazing  
skills you have!**

# Thinking about my skills

**caring for  
others**

**solving  
problems**

**working on my  
own**

**swimming**

**coding**

**cooking**

**leading  
others**

**being  
adaptable**

**coming up  
with ideas**

**working in a  
team**

**writing**

**speaking**

**listening**

**managing my  
feelings**

# Activity – What skills are important?

# What skills might be important...

...for helping you  
to get on with  
others?

...at home or in  
other parts of your  
life?

...at school?

...for our world  
in the future?

...for your life  
in the future?

**adaptability**

**teamwork**

**resilience**

**critical  
thinking**

**What skills are  
important?**

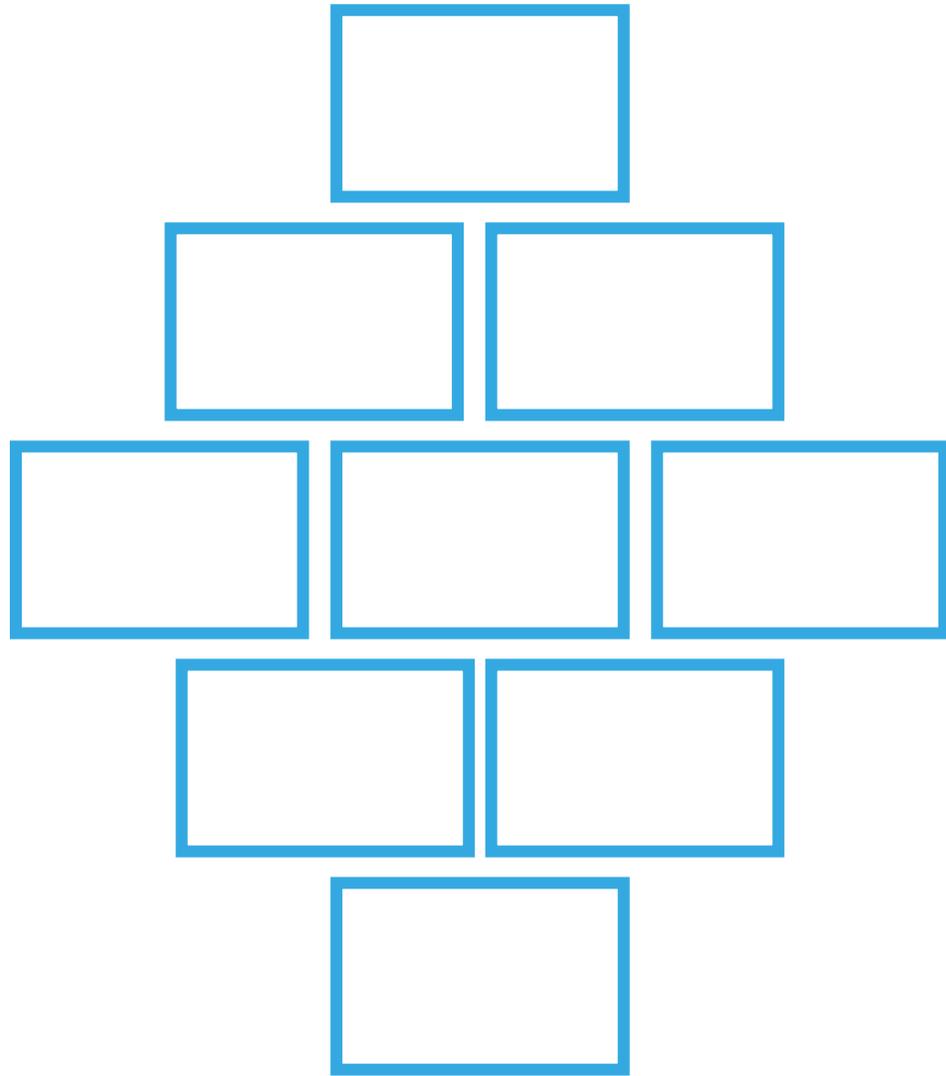

**organisation**

**interpersonal**

**problem-  
solving**

**creativity**

**communication**

**Most  
important**

**Least  
important**

# **Activity – Jobs for an ideal future**

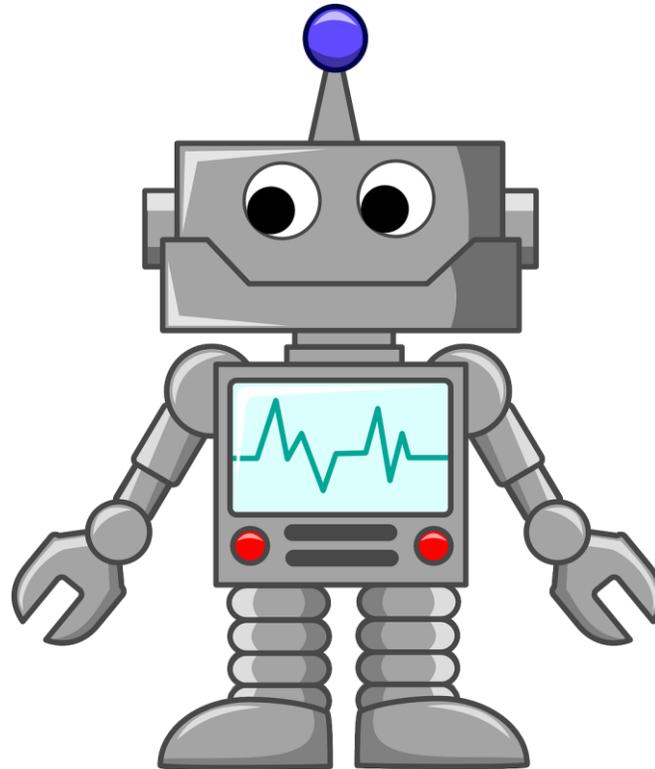

# SUSTAINABLE DEVELOPMENT GOALS

**How old will  
you be in  
2030?**

**What might you  
be doing in  
2030?**

**Many jobs are changing because of automation  
– using technology to do things that people  
used to do before.**

# Imagine a job of the future that could help to achieve one of the SDGs.

**Which goal (or goals) will your job help to achieve?**

**How will your job help to achieve the SDGs?**

**What skills do you think a person doing this job will need?**

**Would you like to do this job?**

# **Activity – My toolkit for learning skills**

**Where did you learn this skill?**

**Who or what helped you to learn it?**

**What might make it difficult to learn a new skill?**

- **250 million children** are out of primary and secondary school today
- **72 million** have their education interrupted by conflicts, emergencies and disaster.

# Setting up code clubs

**Where and when will  
I learn this skill?**

**What things will I need?**

**What skill  
would I like  
to learn?**

**Who can help me  
to learn this skill?**

**What else might help  
me to learn it?**
